Dear Toni,

I hope by this time your health and your pressures have improved. When you can, I'd appreciate the return of the facsimile of the Oswald letter and the LIFE material.

Also, if it isn't too much trouble, I'd like to see the announcements on the books. I can return them if you'd like. With the exception of Joesten, I dont think anyone might take the approach I have in mind, restricting myself to the Commission's own material.

Sincerely
